

Take part in the big competition:  
 Answer the stations' questions here, then find  
 the right solution with the help of the answers.  
 Enter it on the Spieljochbahn website and win  
 great prizes. (<https://www.spieljochbahn.at/>)

Spot 1:  
 Where should you go?

Spot 2:  
 What element does the symbol on the rock represent?

Spot 3:  
 Who appears at this station?  
 -   
 &  -

Spot 4:  
 Where is the entrance to the mine?

Spot 5:  
 Which word opens the entrance to the mine?

Spot 6:  
 What is the second obstacle in this station?

Spot 7:  
 In which direction must the lever be moved?

Spot 8:  
 What kind of treasure is it?

Spot 9:  
 What is Hans-Peter holding here?

Spot 11:  
 What did Bettina use here?

Spot 12:  
 How many kinds of leaves show you the way?

The solution is:

N  
NW NE  
W E  
SW SE  
S

Spot 1:  
 The abandoned mine you seek  
 Deeply hidden in rock and stone  
 Whether up or down the hill  
 The map will show you the right way.  
 Find the big rock at the edge of the path  
 A sign there leads you closer to your goal!

Spot 4:  
 Eight animals are hidden here  
 Every one with a symbol of their own.  
 Domestic here are only four.  
 The map by showing you their symbol  
 to the secret entrance  
 to the mountain will reveal.

Spot 2:  
 Four elements determine every being:  
 Fire, Water, Air and Earth.  
 One of them shows you the way  
 To the place of the secret entrance.  
 On the rock, its sign you find  
 Fire, Water, Air or Earth?

In the abandoned mine a treasure  
 Hidden in secret, lying alone.  
 Find its place in exact measure  
 then your effort will be atoned!

Spot 5:  
To open the portal, speak ...

# The Abandoned Mine at the Spieljoch

Portal

Spot 6a:  
At the parting of ways hollow voices sound from the three tunnels. But only one tells the truth, the other two are lying to you. Which entrance should you choose?

Voice from the left tunnel: Don't get led astray, I am the right way!

The one in the middle says: Rest assured, I am the wrong way!

The right one says: Trust me, the left way is the right one!

Spot 6b:  
If you want to cross the lake to the other shore, always use the stones in the sequence:

You can move backwards and forwards, and left and right, but never diagonally! Beware of a misstep!

Spot 8:  
For the black showcase to release its treasure You will need three punchy arguments.

Treasure Chamber

Spot 12:  
The trees' leaves will give you freedom  
The chestnut's leaves blow to the west  
The oak tree's leaves float to the north  
The spruce's leaves go to the east  
The lime tree's leaves take off to the south

Spot 11:  
Do you see the symbols here?  
A, B or C will show you the way, because only one follows these three!

Exit

Spot 7:  
Pull at the lever to open the door  
But consider the direction before  
Otherwise it won't open again  
Until the tenth hour will return.
